

# Where to ask for help

## **If you need help there are few places:**

### **1) This document:**

- If you are not sure please first check if the answer is in this document, i tried to make this list as complete as i can but there will always be edgescases, exceptions and other weird Stuff not covered.

### **2) TheRetroWeb Discord:**

- Dont hesitate to ask in the Discord Channel for help, there are experts and experienced Curators that will be happy to help with any questions regarding curator work.

### **3) Me:**

- If you didnt find answer in this document or in Discord channel feel free to either ping me in the Discord Channel or DM me directly. I will be happy to help or to double check any work done but please keep in mind iam not an expert on every subject.
